

DECLARATION OF HOUSEHOLD INCOME

PROPERTY NAME:

I/we, _____, declare that my/our total household income on an annual basis is in the amount of £ _____ per annum.

I/we do not have any other income.

Household income is defined as the two highest incomes earned by those adults residing at the Forestry England property. This should include any grant scheme payments made to the household, whether taxable or not and irrespective of whom the claimant is.

Please provide evidence of the household income using all the following documents:

1. HMRC tax return for the latest available tax year
2. Salary slips for the past 3 months

Please note we reserve the right to request further information if necessary to provide clarity or as required by our auditors this may include (but not limited to) and where applicable – universal credit, investment income, grant funding such as BPS and full bank statements including savings.

I/we will notify Forestry England of any changes to my/our household income that should affect the rental payments in line with the Policy Statement 7, Higher Earning Threshold, of the 'Report of the Housing Review Group – New Forest Housing and Enclosed Grazing Land managed by Forestry England' February 2020.
